# OUR ACHIEVEMENTS AND RESULTS & TESTIMONIALS OF OUR STUDENTS

*I would like to convey my heartfelt gratitude to couple of individuals who have guided me through this journey of CMI UG classes taken by Sourav Sir were immensely helpful. I always made it a point to attend his lectures on sentence correction. Apart from him, guidance of other teachers helped me lot as well. I would say, it is the guidance of these individuals that shaped my journey to a great extent. I would safely suggest any CMI UG aspirant to get in touch with these individuals.*

Sir has been so helpful. He came to our college for a special training for job-related classes and in a 3 hr class, it was a very enjoyable and informative. Sir has helped me and my friends to understand many tricks in mathematics and I really like the way he taught us. The best thing was the short cut tricks and the jokes he cracked in the class. It was never boring and I am so satisfied with the best way of teaching which sir has given.

Sir has helped my son crack ACET exam. He has already cleared CT 2,3 levels and is in his 2nd year of graduation(Economics). He has also acquired 1st class in his 1st semester. I wish he will only excel from here onwards under the guidance of Sir. I shared my thoughts only to thank the website as they helped me finding Sir.

*With about 65%ile in Quant in CAT last year, I was never too confident of cracking this exam. But regular sessions with Sourav Sir got me comfortable with quant. I started believing I could do well. Under his constant mentorship, I started improving*

*the notes I took in his classes easily. Thanks to all that, I got 99.05 percentile in Quant in an overall percentile of*

Hello 10:35 AM ✓

How can I help you 10:36 AM ✓

I am extremely glad that I chose Sourav Sir's Classes. The faculties are highly knowledgeable and dedicated and never hesitate to explain a concept any number of times, till we are clear with it.

Joining Sourav Sir's Classes not only helped me improve my fundamentals but also gave me the confidence and inspiration to face CAT. I must especially thank Sourav Sir for all the support, without which I would have never obtained this score.

When I joined Sourav sir's classes it was probably the best decision I have made at the beginning of IIT JAM MATHEMATICS preparation. I got to know the true meaning of preparation. Sourav sir's classes teaching technique is bang on. And the most important aspect of learning is doubt clearing is excellently and patiently handled by sir. I learnt not only the syllabus base subject but also clear the basics.

# OUR ACHIEVEMENTS AND RESULTS & TESTIMONIALS OF OUR STUDENTS

Hi. Good evening all the way from Nigeria. 3:10 am  
I have been on YouTube, watching a video of your teaching on macro economics - sticky wages. And I learnt a whole lot. Thank you!! 3:11 am  
I am currently a new student at the Obafemi Awolowo University, Ile-Ife, Nigeria. And I am studying Agricultural Economics (Applied Economics). 3:12 am  
Macro economics is one of the majors. And I have had a tough time understanding some basics hence my looking on YouTube for help.  
I will greatly appreciate it, if you can help/assist me in understanding this...

This is not a goal. I feel no cloud after being served 98.57 marks in cat. And I saw my success do my lectures of Sourav Sir's classes. Their invaluable support and guidance has been the key to my success. My academic deliberations along with the aid of all help me. When I came to Sourav Sir's classes my basic in Mathematics were very poor. Faculty of Sourav Sir's classes had led up on a dimension where I felt very motivated and inspired. I was asking what prepared for cat and finding time to study was very difficult. But I somehow managed to attend the training classes regularly and doing things revised and to avoid stress in what I was required to spend only 2 hrs every day to learn. With their encouragement I started doing my CAT to studies and the improvement was visible every week. CAT from a first round of 52 marks I went up to 78 marks.

# OUR ACHIEVEMENTS AND RESULTS & TESTIMONIALS OF OUR STUDENTS

The nine months Hotel Management Entrance Exam preparation experience in Sourav Sir's Classes is very satisfying, fruitful and enjoyable. These classes provided a wonderful trinity of excellent faculty, facilities, accomplished persons and world class facilities. The classes gave me a chance to interact with varied people from different backgrounds. A perfect balance of learning inside and outside the classroom with the full option to explore and grow in the direction you desire.

I am working in a multi national company only because of Sourav Sir. He has been a pillar of strength in difficult times. He has made me confident about mathematics which I was very nervous about.

Sir teaches in a friendly manner so that doubts can be cleared easily weaker students are given preference for better understanding. I cracked my B.STAT examination very well. I am highly thankful to Sourav sirs classes for the help and support.

SHIV NADAR UNIVERSITY

School of Humanities and Social Sciences  
Offer of Admission to MSc Program in Economics, 2018

27th July 2018

Dear Ms Nabaneeta Saha,

We are pleased to inform you that you have been selected for admission to the MSc program in Economics in the School of Humanities and Social Sciences, Shiv Nadar University.

A warm welcome and congratulations for being awarded assistantship. The two year masters program in economics is a top tier post-graduate programs in economics in India. The students admitted will receive training within a healthy research environment, supported by faculty members who are working at the forefront of research in their respective fields. The curriculum imparts a theoretical foundation with strong emphasis on applications and hence a solid grounding in quantitative methods and econometrics. The admitted students receive rigorous training in tools of economics analysis that enable them to contribute creatively to academia, the corporate sector, the social sector and policy making.

The Masters program involves a successful completion of 16 courses (8 compulsory and 8 optional). Students must have a minimum CGPA of 6 at the end of each year to be awarded with a degree. In addition, all the university requirements should be met.

The first year course work consists of eight compulsory courses: two courses in a sequence in first two semesters on microeconomics, macroeconomics, econometrics and mathematical and computational methods in economics. The second year [Semester III and Semester IV] involves the students choosing eight elective courses based on their interests. The department offers a broad list of elective courses. In semester III, students can also opt for a project course, spread over two semesters, where they work under the supervision of a faculty to develop a masters thesis. Students writing a masters thesis are waived of two 100% marks in the semester of second year.

With best wishes,

Head, Department of Economics
